ALCOHOL ACTION IRELAND

DIRECTORS’ REPORT

The directors present their report and the audited financial statements for the year ended 31 December 2017.

1. OBJECTIVES AND ACTIVITIES

The principal activity of the company is to increase understanding of the impact of inappropriate alcohol use on the health and well-being of Irish society and of the public policies necessary to reduce the problems associated with such use, and the impact of high risk alcohol use and alcohol related harm on the lives of individuals, the healthcare services and the health and wellbeing of Irish society. AAI (Alcohol Action Ireland) continues to campaign for the prevention and reduction of alcohol related harm in Ireland by engaging in public debate regarding risk, harm and, providing information on evidence based policy responses. The publication of the Public Health (Alcohol) Bill in December 2015 was an encouraging step towards implementing public health measures to reduce alcohol harm in Ireland. The very slow progress of the legislation has been disappointing but in the context of the intense opposition to the Bill from the alcohol industry, it is encouraging that it remains part of this government’s legislative agenda.

2. REVIEW OF ACTIVITIES AND FUTURE DEVELOPMENTS

The importance of the Public Health (Alcohol) Bill means that campaigning for its implementation remains a key area of activity for 2017.

In addition, AAI embarked on an ambitious programme of outreach to within the EU to advance two particular policy platforms relevant to the Public Health (Alcohol) Bill and the HSE’s objective of reducing alcohol related harm. The Audio Visual Media Services Directive (AVMSD) and the issue of the exemption of alcohol products with an ABV of more than 1.2% from labelling requirements were active policy matters in 2017. AAI worked with colleagues in Eurocare and other Member States including Scotland and Estonia to raise the aspects of these policy positions that impact on alcohol harm in Ireland.

As consumption remains considerably above the Healthy Ireland low risk target, and is likely to increase as the economic recovery continues and alcohol sales increase, it is important that regulatory measures to minimise the impact of increasing consumption are implemented in a timely manner. Within the EU, in the absence of an EU Alcohol Strategy, and the very slow progress on EU wide policy measures, individual Member States are more proactive in addressing alcohol harm using domestic policy instruments and the EU recognises the right of Member States to take actions to protect population health.

As the campaign for the legislation has continued, so has our role and involvement with the Alcohol Health Alliance. AAI continues to work closely with the many stakeholders and partners for whom a reduction in alcohol harm is an important objective.
2. REVIEW OF ACTIVITIES AND FUTURE DEVELOPMENTS  (continued)

The Public Health (Alcohol) Bill remains a key priority for AAI as it represents the most effective policy instrument to address alcohol harm. The Bill which finally passed through the Seanad in December remains the subject of intense debate within the Oireachtas. The decision of the Supreme Court in London to reject the legal challenge of the alcohol industry to the implementation of minimum unit pricing in Scotland was an encouraging development for countries (including Ireland) considering this policy measure.

AAI has undertaken another strong programme of work in 2017 including the following:

- Published Foul Play? Research on the circumvention of alcohol advertising restrictions during UEFA Euro 2016.
- Organised a seminar: ‘Self-Regulation is No Regulation? in Brussels, discussing the provisions of the AVMSD and their impact on alcohol harm.
- Published the annual AAI Annual Price Survey.
- Published AAI Pre-budget Submission 2018.
- Participated in the North-South Alcohol Policy Group hosted by the IPH.
- Secretariat to the Oireachtas Cross Party Group on Alcohol Harm.
- Co-hosted the Alcohol Health Alliance event calling for progress on the PHAB.
- Relaunched the AAI website as the key resource on alcohol policy in Ireland.
- Engaged with partners via: Alcohol Health Alliance UK, Healthy Ireland Council, Irish Cancer Society’s Cancer Prevention Committee, Mouth Cancer Awareness Day, Men’s Health Week, Irish Men’s Sheds and the Local and Regional Drug and Alcohol Task Forces.

AAI has a recognised expertise in alcohol policy and has supported a wide range of public, media and stakeholder information requests and policy input. AAI welcomes the form of engagement as developing public understanding of public health measures to reduce alcohol related harm is a key part of its remit.

AAI anticipates the progress of the legislation to Dáil Éireann in 2018.

3. FINANCIAL REVIEW, ACHIEVEMENTS AND PERFORMANCE

The financial results for the year are set out in the Statement of Financial Activities on page 13. The net expenditure for the year after providing for depreciation was €49,391 (2016: net income: €80,439).

AAI’s financial position has stabilised further in 2017 and AAI continues to actively seek additional sources of income.
3. **FINANCIAL REVIEW, ACHIEVEMENTS AND PERFORMANCE (continued)**

In common with many charities, the organisation must maintain and develop its income sources to ensure the continuation of its role as an advocate for reducing alcohol-related harm in Ireland. In order to mitigate this risk, the directors review the sources of income on an ongoing basis. In addition, reserve levels are monitored to ensure that they are maintained at a reasonable level in the context of planned expenditure and future commitments. The directors are at all times conscious that maintaining the reputation of the organisation is critical.

The board has implemented a reserves policy whereby it aims to maintain reserves levels equivalent to a minimum of three months of operating costs.

4. **STRUCTURE, GOVERNANCE AND MANAGEMENT**

Alcohol Action Ireland is a company (Company Registration Number 378738) which was incorporated on 28 November 2003. The company is limited by guarantee, not having a share capital and is governed by a Constitution. The company holds Revenue Commissioners Charitable Status (CHY 15342).

Directors are appointed to the Board on the basis of an assessment of the skills required to support and inform the work of Alcohol Action Ireland and individual commitment to the public health approach to reducing alcohol related harm. Individuals are appointed via an interview process.

The finance sub-committee is established to oversee the finances of Alcohol Action Ireland. This is comprised of three board members. There is also a HR sub-committee in place.

In 2017, the AAI Board of directors met six times, in February, April, June, September and October and December.

The charity makes decisions on the basis of an annual plan informed by the objectives of the charity, evidence based measures for the most effective reduction of alcohol harm and the available resources.

An induction programme for new directors is in place and all existing directors meet regularly and are included in all events and activities and circulated on all publications.

Remuneration is set at the appropriate point on the salary scale of the market rate for roles and responsibilities.

5. **PRINCIPAL RISKS AND UNCERTAINTIES**

The financial statements have been prepared on a going concern basis. The company is significantly dependent on government grant income, and while there has been no specific threat of loss of funding the directors believe that a significant risk exists because of this factor such that the company would not be in a position to continue its activities in the event of such an occurrence.
6. RESEARCH AND DEVELOPMENT

The company undertook no research and development during the year.

7. EVENTS SUBSEQUENT TO THE YEAR END

There are no significant events affecting the company since the year end.

8. DIRECTORS AND SECRETARY

The names of the persons who at any time during the financial year were directors or secretary of the company are listed below. They served for the entire year under review unless otherwise indicated.

**Directors**
- Carol Fawsitt (Chairperson)
- Joseph Barry
- Declan Bedford
- Padraig Brady (resigned 17 July 2017)
- Catherine Brogan
- Pat Cahill
- John McCormack (resigned 7 December 2017)
- Frank Murray (appointed 17 July 2017)
- Bobby Smyth (appointed 14 February 2017)
- Tadhg Young

**Secretary**
- Suzanne Costello (resigned 15 February 2018)
- Pat Cahill (appointed 15 February 2018)

9. DIRECTORS AND SECRETARY AND THEIR INTERESTS

The company is limited by guarantee and does not have any share capital. Therefore the directors and secretary who served during the year did not have a beneficial interest in the company. All directors serve in a voluntary capacity.

10. ACCOUNTING RECORDS

The measures that the directors have taken to secure compliance with the requirements of sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records, are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The company's accounting records are maintained at the company's registered office at Coleraine House, Coleraine St, Dublin 7.
11. STATEMENT ON RELEVANT AUDIT INFORMATION

In the case of each of the persons who are directors at the time this report is approved in accordance with section 332 of the Companies Act 2014:

(a) so far as each director is aware, there is no relevant audit information of which the company’s statutory auditors are unaware, and

(b) each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company’s statutory auditors are aware of that information.

12. AUDITORS

Mazars, Chartered Accountants and Statutory Audit Firm, have expressed their willingness to continue in office in accordance with Section 383(2) of the Companies Act 2014.

On behalf of the Board

Declan Bedford
Director

Pat Cahill
Director

28 September 2018
DIRECTORS’ RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the directors’ report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council and Statement of Recommended Practice (Charities SORP (FRS 102)), issued by the Charity Commissioners for England and Wales and the Office of the Scottish Charities Regulator. Under company law, the directors must not approve the financial statements unless they are satisfied they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end and of the net income or expenditure of the company for the financial year and otherwise comply with the Companies Act 2014. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reason for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities and financial position and net income/(expenditure) of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company’s website. Legislation in the Republic of Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

On behalf of the Board

INDEPENDENT AUDITOR’S REPORT TO THE
MEMBERS OF ALCOHOL ACTION IRELAND

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Alcohol Action Ireland (‘the company’) for the year ended 31 December 2017, which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including the summary of significant accounting policies set out in note 3. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2017 and of its net expenditure for the year then ended;
- have been properly prepared in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described in the Auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require us to report to you where:

- the directors’ use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company’s ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.
INDEPENDENT AUDITOR’S REPORT TO THE
MEMBERS OF ALCOHOL ACTION IRELAND

Other information

The directors are responsible for the other information. The other information comprises the information included in the directors’ report other than the financial statements and our auditor’s report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- in our opinion, the information given in the directors’ report is consistent with the financial statements; and
- in our opinion, the directors’ report has been prepared in accordance with the Companies Act 2014.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit. In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited and financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors’ report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors’ remuneration and transactions required by sections 305 to 312 of the Act are not made.

We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the directors’ responsibilities statement set on page 8, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
Responsibilities of directors for the financial statements  (continued)

In preparing the financial statements, the directors are responsible for assessing the company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor’s responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA’s website at: http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description of auditors responsibilities for audit.pdf. This description forms part of our auditor’s report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company’s members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company’s members those matters we are required to state to them in an auditor’s report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company’s members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

Alcohol Action Ireland is a company limited by guarantee and not having a share capital. The registered office is Coleraine House, Coleraine Street, Dublin 7. The nature of the company’s operations and its principal activities are set out in the directors’ report.

2. STATEMENT OF COMPLIANCE

Alcohol Action Ireland is constituted under Irish company law as a company limited by guarantee and is a registered charity.

The financial statements have been prepared in accordance with Financial Reporting Standard 102 “The Financial Reporting Standard Applicable in the UK and Republic of Ireland” (“FRS 102”) and the Companies Act 2014. The financial statements have also been prepared in accordance with Statement of Recommended Practice (SORP) (Revised 2015) “Accounting and Reporting by Charities”.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

a) Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 102 “The Financial Reporting Standard Applicable in the UK and Republic of Ireland” (“FRS 102”) and the Companies Act 2014. The financial statements have also been prepared in accordance with Statement of Recommended Practice (SORP) (Revised 2015) “Accounting and Reporting by Charities” as published by the Charity Commission for England and Wales and the Office of the Scottish Charities Regulator, who are recognised by the UK Financial Reporting Council (FRC) as the appropriate body to issue SORP’s for the charity sector in the UK. Financial reporting in line with SORP is considered best practice for charities in Ireland. The directors consider that the adoption of the SORP requirements is the most appropriate accounting to properly reflect and disclose the activities of the organisation.

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value.

b) Functional currency and presentation currency

The financial statements are measured and presented in the currency of the primary economic environment in which the entity operates (its functional currency). The financial statements are presented in Euro (“€”) which is also the functional currency of the company.
3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  

   (continued)

   c) Income

   All income is recognised in the Statement of Financial Activities (“SOFA”) when the company is 
   entitled to the income, any performance related conditions have been met, receipt is probable and 
   the amount can be quantified with reasonable accuracy. Income comprises grants for charitable 
   activities, donations and other income.

   Monies received in respect of expenditure that must take place in a future accounting period is 
   accounted for as deferred income and recognised as a liability up until the accounting period allowed 
   by the condition to expend the resource.

   Interest on funds held on deposit is included when receivable and the amount can be measured 
   reliably by the charity.

   Voluntary income including donations and gifts are recognised where there is entitlement, receipt is 
   probable and the amount can be measured with sufficient reliability. Such income is only deferred 
   when the donor specifies that the grant or donation must only be used in future accounting periods 
   or the donors have imposed conditions which must be met before the charity has unconditional 
   entitlement.

   Grants from public authorities and other agencies in Ireland are credited to the Statement of Financial 
   Activities in the year to which they relate. Grants received towards capital expenditure are credited 
   to the Statement of Financial Activities when received or receivable whichever is earlier. Grants are 
   recognised when there is evidence of entitlement and their receipt is probable. Grant income is 
   deferred where the charity is restricted by specific performance related conditions that are evident in 
   the grant agreement, where there is a specification of a time period that limits the charity’s ability to 
   spend the grant until it has performed that activity related to the specified time period and when there 
   are specific terms or conditions within the agreement that have not been met and are not within the 
   control of the charity.

   Income is analysed as Restricted or Unrestricted. Restricted funds represent income recognised in 
   the financial statements, which is subject to specific conditions imposed by the donors or grant 
   making institutions. Unrestricted funds represent amounts which are expendable at the discretion of 
   the company, in furtherance of the objectives of the charity. Such funds may be held in order to 
   finance working capital or capital investment.

   d) Expenditure

   All expenditure is accounted for on an accruals basis and has been classified under headings that 
   aggregate all costs related thereto. Where costs cannot be directly attributed to particular headings 
   they have been allocated to activities on a basis consistent with the use of the resources.

   e) Employee benefits

   The charity provides a range of benefits to employees, including paid holiday pay arrangements and 
   defined contribution pension plans.
3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

e) Employee benefits (continued)

Short term benefits
Short term benefits, including holiday pay and other similar non-monetary benefits, are recognised as an expense in the period in which the service is received. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the financial year.

Pensions
The charity operates a defined contribution pension scheme. This scheme is administered by independent investment managers. Pension costs are expensed to the statement of financial activities as incurred.

f) Taxation

The company has charitable status under Section 208 of the Taxes Consolidation Act 1997, and consequently is not subject to corporation tax.

g) Leases

Rents payable under operating leases are charged to the statement of financial activities on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

h) Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Computer equipment 33% straight line

i) Cash and cash equivalents

Cash consists of cash at bank and on demand deposits. Cash equivalents consist of short term highly liquid investments that are readily convertible to known amounts of cash that are subject to an insignificant risk of change in value.

j) Financial instruments

Financial assets
Basic financial assets, including other receivables and cash and cash equivalents are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method.
3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  (continued)

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. The impairment loss is recognised in the statement of financial activities.

Financial assets are derecognised when the contractual rights to the cash flows from the asset expire or are settled; or substantially all the risks and rewards of the ownership of the asset are transferred to another party; or control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions on transfer.

Financial liabilities
Basic financial liabilities, including trade creditors are initially recognised at transaction price.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

Offsetting
Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle to liability simultaneously.

b) Funds
Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside for a specific purpose. Restricted funds are funds which the donor has specified are to be solely used for particular areas of the company’s work or for specific projects being undertaken by the company.

4. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The company makes judgements, estimates and assumptions about the carrying amounts of assets and liabilities that were not readily apparent from other sources in the application of the company’s accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors that are considered to be reasonable under the circumstances. Actual results may differ from the estimates.

a) Critical judgements made in applying the company’s accounting policies
Management is of the opinion that there are no critical judgements (other than those involving estimates) that have a significant effect on the amounts recognised in the financial statements.
NOTES TO THE FINANCIAL STATEMENTS

4. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (continued)

b) Key sources of estimation uncertainty

Management is of the opinion that there are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

ALCOHOL ACTION IRELAND

NOTES TO THE FINANCIAL STATEMENTS

6. STAFF COSTS (continued)

The directors received no remuneration or benefits for their services during the year or the preceding year.

The company operates a defined contribution pension scheme and the assets of the scheme are held separately from those of the company in an independently administered fund. The pension cost charge represents contributions payable by the company to this scheme and amounts to €7,346 (2016: €9,550). An amount due of €1,200 is included in creditors at the year end date.

*Trade creditors*

The repayment terms of trade creditors vary between on demand and 30 days. No interest is payable on trade creditors.

*Taxes and social security costs*

Taxes and social security costs are subject to the terms of the relevant legislation. Interest accrues on late payment. No interest was due at the financial year end date.

*Accruals*

The terms of the accruals are based on underlying contracts.
